

Impact Standardization

2020 Member Recognitions

Vizient members optimize value of supply chain

The Vizient Impact Standardization Program enables health system cost savings through streamlining supply chain purchases. The result is a reduction in clinical variation and better patient care. For 2020, Vizient, Inc. recognizes 424 hospitals and health systems that have demonstrated continued excellence in evaluating the best approach to achieving their clinical and fiscal goals.

Executive Savings

The Executive Savings recognition is presented to participating organizations that earned at least \$250,000 in rebates through Impact programs.
